- **BILSTEIN ULTRA PERFORMANCE SUSPENSION SYSTEM**
Enhances vehicle handling and dynamics in the following ways:
(1) The optional Bilstein Performance Suspension is designed for superb transient response;
(2) It is tuned for maximum handling under track conditions;
(3) System is remarkably compliant; and is
(4) Free of the ride harshness normally associated with sport handling packages.

- **FIREHAWK FRONT FLOOR MATS**
Heavy-duty, custom fitted carpeting with aggressive nubs to hold mats firmly in place.

- **17" x 9" CHROME-PLATED WHEELS**
SLP offers a lightweight, chrome-plated wheel for 1999 that includes a three-year/36,000 mile limited warranty on the chrome finish. Wheel center-cap design features "Firehawk" logo.

- **AUBURN HIGH TORQUE DIFFERENTIAL**
Engineered for spirited driving, especially under controlled conditions at a race track. The Auburn differential's impressive grip is further enhanced by the cooling properties of its unique aluminum axle cover, which also improves durability and performance.

- **FIREHAWK CAR COVER**
Premium grade, breathable, water-resistant fabric. Provides protection from the elements for today's hottest collectible car. Includes: cable, lock, tote bag with silk-screened Firehawk graphics.

- **CASTROL "SYNTEC" HIGH PERFORMANCE LUBRICANTS PACKAGE**
Castrol "Syntec" full synthetic engine oil provides superior protection and performance. This lubricants package includes Castrol's 500,000-mile "Maximum Protection" Warranty Program.

Contact your Pontiac-GMC dealer for details or simply contact SLP at (248)288-3066, Monday through Friday, 8 a.m. to 6 p.m. To ensure that SLP factory-installed options are added to your Firehawk, RPO code WU6 must be added to the order. **Once Firehawk orders are scheduled for production by Pontiac and GM, RPO code WU6 can not be added to the order.** Like in the past, SLP provides a three-year/36,000 mile limited warranty on its content.
